in there with the body?" "Ben Chew. Why?" from him. There's a chance that he might have been carrying his "Sure. I can't search him with- he had overheard. The memory inside the broken window. "Thanks,

government interference. So they which adjoined the Bartell store, those men crowded into the ment. had struck hard to keep informa- and he had a quick suspicion that alley but Miss Bartell's voice quiet-

al authorities.

That part seemed obvious, but the rest was more perplexing. Who had done the killing? Why was it that they had not been able to ston.

This attention was diverted for a mervous little laugh, rubbing at the stains on her dress as she glanced through the window at Frazer. "Tomato pulp." she said shortly. the rest was more perpexing. The had done the killing? Why was it that they had not been able to stop Scott before he returned to Mesa Verde? Did the killing of The Duke mean that the murder crowd had not believed they could get Scott at all?

Tomato pulp," she said shortly. "The bullet struck one of those cans on the shelf, I was spattered by it. Nothing more. Now tell me who it was who tried to shoot me." "You're a pretty cool hand," Frazer approved, "I thought you frazer approved, "I thought you had not believed they could get acceptance." He came back to alert attention as a pair of bulky shadows came as a pair of bulky shadows cand bulky shadows came as a pair of bulky shadows came as a pair o toward him along the hard-packed was small and dark—and carried Her quick glance repaid him for dirt sidewalk. One of them seemed a heavy six-gun swung low on his the compliment, but there was no to walk softly despite his size left hip. This could be the bandit time for any further comment. A while the other let his heels pound who had murdered The Duke. man was shouldering his way hard against the gritty earth. They Frazer saw that the newcomer through the crowd. wer arguing in low angry tones and Frazer caught one brief statement. "We'll have a hornet's nest around our ears with these murders. We'll have to move fast before a lot of investigators flood the fore a lot of investigators flood the town." Even before he caught a town." Even before he caught a town. They had slid to a halt in front of one of the saloons at the far end of the saloons at the far end of the manded, his voice carrying a ring of almost belligerent authority. Frazer knew before seeing him that it was the deputy marshal, Ed Delaplane.

Carson Emery for that chore. It was the deputy marshal, Ed Delaplane. "Somebody triad to shoot Miss

town." Even before he caught a flash of lamplight on the man's face Frazer knew that the speaker

Carson Emery for that chore. It wasn't likely that the suspect could do anything secretly while the town was in its present state of insper plugged the polecat jest in time." was Derek Bartell. was Derek Bartell.

He was even more surprised to agitation. hear the guttural, clipped accents of the other man's reply, "We catch the murderer, no? That will stop everything."

He stepped forward again and was prompty addressed by the girl in the shawl. Her voice was pleast that he was taking a part in a stark drama of life and death. It He could not hear Bartell's an- cent giving it a quality which made all seemed so unreal, so grotesque swer, but he made a mental note it all the more attractive. She was as a dozen men stood there in unto ask Carson Emery some more evidently of Spanish extraction and comfortable silence, jammed in questions. Who was this big Teuton? a closer fook told him that she three-foot alley where the o What was his connection with Derek was a very pretty little brunette. light came from a broken window Bartell, and where did the little "Big excitement in Mesa Verde Then he looked up and saw Hele Mexican fit into the picture? tonight," she observed sociably. Bartell on the opposite side of t He moved out into the street "I wonder does that rider bring then, not wanting to be found in news that the murderer is caught?" his present position. Guns were

then, not wanting to be found in his present position. Guns were being worn now and it wouldn't be safe for him to attract too much attention to himself while the town was crowded with enthusiastic volunteer man hunters. Most of the traffic still centered around the hotel, so he moved along in that direction, watchful for an opportunity to get a word with Marshal Emery.

That word had to wait until his pression of unreality. It was hard to believe that this girl had just been the target of a bushwack bullet.

Delaplane's voice broke in upon his wandering thoughts. "This is Vince Gale. Who says he was tryin' to shoot anybody?"

"I say so," he said firmly. "I cut him down just as he fired through the window."

The deputy stood erect, almost astride of the dead body. "It That word had to wait until indicated a window at the back of astride of the dead body. "It
